Jack Moore, the son of legendary guitarist Gary Moore, at concerts within the project **MOORE PLAYS MOORE feat. Jack Moore**. Jack is accompanied by musicians from Poland. Jack Moore is a young, extremely talented guitarist and composer. Gary Moore instilled in Jack the love of playing the guitar thanks to many foreign concerts and festivals they together had taken part in over the course of many years. During one of the event he then met Otis Taylor with whom he toured the UK.

He also performed at the Sunflower Jam at the Royal Albert Hall playing the support act at the concert of Joe Bonamassa and Deep Purple. He was also invited to perform with Thinn Lizzy (with whom his father began his career). On a day-to-day basis Jack More plays with Cassie Taylor band and at the same time implements his own musical projects. Łukasz Gorczyca – bass player and a composer known for collaborating with the most outstanding and charismatic Polish and foreign musicians. He has performed and recorded in most European, US and Asian countries with such artists as Wheatbread Johnson, Griff Hamlin, Patsy Gamble, Barry Richman, Alvon Johnson, Keith Thompson, Rob Tognoni, Risto Toppol, Terry Man, Chuck Frazier, Kellie Rucker, Billy Hamilton, Chaz de Paolo, Alex Rossi, Grainne Duffy, Ian Sands Blues Band, Krissy Matthews, Dave Ellis Blues Band, Andy Egert, Janet Robin, Wojciech Korda, Leon Hendrix, Noel Coutts and others. Next to Moore and Gorczyca we have Tomek Dominik - one of the most popular session drummers - collaborating with Chaz de Paolo, Leon Hendrix, Renata Przemyk, Homo Twist, Pudels and Tilt. Tomek frequently collaborates with Łukasz Gorczyca on other projects. On guitar, in this project, we have Bogdan Topolski – guitarist and a composer. Vocally the songs of Gary Moore will be sung by Szymon Pejski - vocalist and multi-instrumentalist, songwriter and lyricist. He gained a solid musical education at Vocaltec Actontown in London. Many people probably remember him from the TV show Mam Talent program and his performances in the bands SteamLove and Chłopcy z Placu Broni.
